ABOUT ASAS AL IMAR

BUILDING A STRONGER TOMORROW

Asas Al Imar Building Materials & Trading is a Saudi-based company specializing in the supply and trading of high-quality building materials for construction, infrastructure, and commercial projects. We are committed to supporting the growth of the Kingdom's construction sector by providing reliable products, competitive solutions, and exceptional service.

With a customer-focused approach and a dedication to quality, we work with trusted manufacturers and suppliers to ensure a comprehensive range of materials that meet the highest industry standards. Our goal is to be a reliable partner for contractors, developers, and businesses, contributing to the successful delivery of projects across the region.

QUALITY PRODUCTS

Sourced from trusted
global manufacturers.

RELIABLE PARTNER

Committed to long-term
business relationships.

WIDE RANGE

Complete solutions
for all building material
needs.

CUSTOMER FOCUSED

Your projects
are our priority.

OUR VISION & MISSION

BUILDING LASTING VALUE

SUPPLYING
TODAY
FOR A STRONGER
TOMORROW

OUR VISION

To be a leading and trusted provider of building materials in the region, recognized for our commitment to quality, reliability, and contribution to the development of sustainable infrastructure.

OUR MISSION

To supply high-quality building materials through strategic partnerships, efficient distribution, and exceptional customer service, supporting the success of our clients and the growth of the construction sector.

OUR CORE VALUES

- Quality
- Integrity
- Customer Focus
- Reliability
- Long-Term Partnerships

DRIVING PROGRESS

Supporting the region's development.

BUILDING RELATIONSHIPS

Growing together for a stronger future.

DELIVERING TRUST

Reliable materials. Lasting results.

A MORE SUSTAINABLE TOMORROW

Contributing to stronger communities.

O U R

PRODUCT PORTFOLIO

A comprehensive range of building materials, electrical, plumbing, sanitary and hardware solutions for construction and infrastructure requirements.

SCAFFOLDING & SITE ACCESS

Scaffolding systems, towers, ladders and site-access accessories for safe and efficient construction.

ELECTRICAL MATERIALS

Cables, lighting, panels, switches and industrial connectivity solutions for commercial and industrial projects.

PLUMBING & SANITARY

Pipes, fittings, valves, sanitary ware and related components for residential, commercial and infrastructure applications.

HARDWARE & SITE SUPPLIES

Hand tools, power tools, safety items, machinery and site consumables to support every stage of construction.

**SCAFFOLDING****ELECTRICAL MATERIALS****PLUMBING & SANITARY****HARDWARE & SITE SUPPLIES**

SCAFFOLDING, LADDERS & SITE ACCESS

BUILDING HIGHER, SAFER TOGETHER

We supply reliable scaffolding systems, ladders and accessories to support construction, maintenance and industrial projects. Our products are sourced from trusted manufacturers to ensure safety, durability and efficiency on site.

SAFE ACCESS
RELIABLE SUPPORT
STRONGER
PROJECTS

01

SCAFFOLDING SUPPLY AND ACCESSORIES

A complete range of scaffolding components and accessories to support safe and flexible construction work.

02

ALUMINUM SCAFFOLDING & TOWERS

Lightweight, durable and easy to assemble aluminum scaffolding systems and mobile towers for various site applications.

03

GI STEEL SCAFFOLDING

Galvanized steel scaffolding systems known for strength, stability and long-term performance in demanding environments.

04

LADDERS

A variety of ladders suitable for commercial and industrial use, designed for safety and durability.

05

SCAFFOLDING ACCESSORIES

Clamps, couplers, base jacks, castor wheels, planks and other essential accessories.

ENHANCED SAFETY

Reliable access solutions for safer worksites.

DURABLE PRODUCTS

Built to withstand demanding conditions.

WIDE RANGE

Solutions for various project requirements.

TRUSTED SUPPLY

Sourced from reputable manufacturers.

ELECTRICAL MATERIALS

POWERING PROGRESS

We provide a comprehensive range of electrical materials for commercial, industrial and infrastructure projects, sourced from trusted manufacturers to ensure quality, safety and reliability.

RELIABLE
ELECTRICAL SOLUTIONS
FOR A BRIGHTER
TOMORROW

01

HEAVY ELECTRICAL SYSTEMS

Solutions for large-scale electrical infrastructure and industrial projects.

02

LIGHTING SOLUTIONS

A wide range of lighting products for commercial, industrial and outdoor applications.

03

BCT CABLES

High-quality BCT cables for various electrical applications.

04

BRANDED POWER CABLES

Power cables from reputable global brands to meet project standards and requirements.

05

INDUSTRIAL PLUGS & SOCKETS

Durable and reliable industrial plugs and sockets for demanding environments.

06

WATERPROOF ENCLOSURES

Enclosures designed to protect electrical components in harsh conditions.

07

POWER DISTRIBUTION

Distribution boards and related components for safe and efficient power management.

08

PANELS & SWITCHGEARS

Electrical panels and switchgears for control and distribution applications.

QUALITY PRODUCTS

Sourced from trusted global brands.

RELIABLE SUPPLY

Consistent availability for your projects.

COMPETITIVE PRICING

High-quality solutions at competitive rates.

TECHNICAL SUPPORT

Assistance in product selection and project requirements.

ELECTRICAL MATERIALS

RELIABLE SOLUTIONS FOR EVERY PROJECT

From power distribution to lighting and connectivity, we supply high-quality electrical materials from trusted brands to meet the needs of commercial, industrial and infrastructure projects.

SUPPORTING
YOUR PROJECTS

A yellow portable cement mixer machine is shown. It features a large, rounded, rotating drum mounted on a sturdy yellow metal frame. A large black hand crank is attached to the side of the drum for manual operation. A black motor unit is mounted on the right side of the frame. The machine is equipped with two large black tires for portability. It is sitting on a gravel surface, and a blurred background shows a construction site with scaffolding.

BOSCH

A collection of various hand tools including wrenches, screwdrivers, pliers, a hammer, and a tape measure, arranged on a workbench.

COMPLETE BUILDING MATERIALS & ELECTRICAL SOLUTIONS UNDER ONE ROOF

Becoming the most trusted supplier in Saudi Arabia by delivering high-quality building materials and electrical solutions, supporting construction, industrial, and infrastructure projects with reliability and efficiency.

Direct Supply Lines

We cut out complicated global logistical delays by actively stocking materials from established giants.

Certified Quality

Every single one of our electrical parts, cables, and insulation boards are vetted to adhere directly to SASO, ASTM, and UL safety standards.

Procurement Freedom

Skip multi-vendor headaches. Manage your orders via "One Roof" and a single dedicated account manager.
